

8. (Amended) The composition of claim 1 [any one of claims 1 to 7], wherein said composition further comprises 0.5% to 15% by weight of at least one surface active agent.

16. (Amended) The composition as claimed in claim 1 [any one of claims 1 to 15], made in the form of a compressed tablet.

21. (Amended) The composition of claim 18 [or 20], wherein said composition is provided as a tablet and has a coating composition comprising anionic copolymers sufficient to obtain about 0.5 to 15 mg per cm² of tablet.

REMARKS

The above amendments are presented in order to omit the multiple dependencies of the claims. Entry is believed to be in order and is respectfully requested.

Respectfully submitted,

Jackie Ann Zurcher
